## About Us

*Fire Creek Services Company (FCSC) is a certified 8(a), Small Disadvantaged Business (SDB) that provides high-impact professional staffing and healthcare support services to federal government clients. We are part of a network of tribally owned companies with more than 30 years of combined experience supporting civilian and defense agencies. FCSC delivers cleared and credentialed professionals across a wide spectrum of mission-critical roles, including clinical, technical and programmatic support functions. Our professional staffing capabilities encompass program and project management in the healthcare domain. FCSC provides comprehensive medical staffing solutions, including physicians, nurses, behavioral health specialists, and allied health professionals, supporting both CONUS and OCONUS operations. We offer scalable surge staffing, medical readiness support, and patient care services aligned with the operational and compliance requirements of federal healthcare programs. With over 30 years of combined federal contracting experience within our corporate family, FCSC blends cultural values with operational excellence to support the missions of civilian and defense agencies.*
