Sole Source with Us

As a tribal contractor, we can receive **direct/sole source contract awards without protest**, helping our Government partners drive faster acquisition strategies.

About Us

ANG offers support for the critical missions of the Department of State (DoS), the Department of Defense (DOD), and a wide range of U.S. Government customers. Our global workforce has performed in 10 countries, on 5 continents and in some of the world's most challenging regions. ANG's current capabilities include information technology services, large IDIQ program management, supply, logistics and facilities support, diplomatic security training, and a wide range of professional support services. Customers include the Department of Defense (Army, Air Force, Navy, and Marines), Department of State, National Aeronautics and Space Administration, Department of Health and Human Services, Department of Justice, General Services Administration, and other agencies.
