## Fire Creek Company

*Fire Creek Company (FCC) is a key entity managed by All Native Group (ANG), the federal services division of Ho-Chunk, Inc. (HCI), an award-winning economic development corporation wholly owned by the Winnebago Tribe of Nebraska. ANG operates as a dynamic network of small businesses dedicated to supporting the critical missions of U.S. Government (USG) and foreign government partners, including the Departments of Defense (DoD), National Intelligence and State (DoS). In addition, FCC is working closely with several host national countries as well as in the commercial sector.*

*With a global footprint spanning over 40 countries across six continents, our workforce has successfully delivered large-scale programs in some of the world's most challenging and high-threat environments. FCC excels in executing large single-award Indefinite Delivery indefinite Quantity (IDIQ) contracts, providing comprehensive support in logistics, construction, supply chain management, facilities management, host nation train and equip, emergency preparedness, IT and security, and policy advisory services.*

*As a trusted partner, FCC delivers high-impact solutions across multiple disciplines, including administrative support, program management, information technology, strategic communications, and specialized professional services. Our expertise extends from initial planning and strategy development to full-scale execution, ensuring mission success.*

## Foreign Military Sales (FMS) Support

Expert delivery of U.S. FMS, Direct Commercial Sales (DCS), and Security Cooperation programs under DSCA guidelines, ensuring seamless allied partnership support.

## Multi-National Program Execution

Proven management of complex defense, training, logistics, and government contracts across CONUS/OCNUS environments with 50+ Task Orders and 25+ ACOR coordination experience.

## Proven Performance

FCC successfully supports U.S. defense contracts and FMS programs involving complex logistics, specialized training, and comprehensive program management. Our experience spans international trade and contracting support for defense projects across Europe and the Middle East, including extensive work with U.S. DoD programs, NATO interoperability projects, and allied defense initiatives.
